THE VULCAN ADVOCATE, WEDNESDAY, DECEMBER 18, 1963

Vulcan, Alberta

The institution of Vulcan's downtown Christmas tree is still with us and this year it went up on Sunday, Nov. 24. For John Andrews and Merle Smith this marks their fourth annual trip into the

west country for a tree, on behalf of the Vulcan Lions Club and it's a beauty reaching above the cables which cross the intersection. Another squad composed of Kinsmen and other volunteers, strung

hundreds of lights the following Friday night and now it is a beautiful centre-piece to the downtown business section. Once again it will provide the setting for Saturday's visit from Santa.

Curling Rink is Busy Place This Month

Coming events at the rink include the President-Vice-president competition on Friday, Dec. 27, Sunday, Dec. 29, and Monday, Dec. 30. Also a men's square draw jackpot will probably be held on Sunday, Dec. 22.

The B. Middleton rink still leads the men's square draw with two more wins last week to bring their total to seven victories. The H. Matlock rink lost their first game of the season to I. Haga, bringing their performance to five wins one loss and one tie.

The following is the square draw curling for the coming week.

Thursday, Dec. 19: 7:00 p.m.— R. White vs. S. Kehr, D. Watson vs. R. McLennan; 9:00 p.m.— B. Willard vs. B. McKay, V. Haga vs. B. Drummond.

Friday, Dec. 20: 7:00 p.m.— J. Clark vs. H. Spaeth, M. Jordan vs. L. Haga; 9:00 p.m.— R. Wellman vs. B. Middleton, E. Erickson vs. G. Graham.

Monday, Dec. 23: 7:00 p.m.— J. Anderson vs. H. Matlock, G. Atkinson vs. B. Haverly; 9:00 p.m.— J. Wolfe vs. F. Wythe, R. Berg vs. I. Haga.

The Harris Matlock rink won the local Elks playoffs here Monday, with two straight wins over Ted Percival's rink of R. Wellman, G. Atkinson and V. Haga. Curling with Matlock are B. Haverly, D. Watson and N. Dumka.

The curling rink is a busy place on Saturdays as 20 High School rinks compete in their square draw. Heading the list is the Dave Clark rink with Carol McAskle, Dennis Schuler and Barbara Galoway.

Born in Cloppenburg, Germany, she came to Edmonton in 1958, to Lethbridge in 1960 and to the Champion district in 1963.

Besides her husband, Aloys Henri Moeller, she is survived by four sons, Wolfgang, Klaus, Peter and George; and one daughter, Juliet, all of Champion; her father, August Abeln, in Germany; two sisters, Mrs. Hedwig Graham, Edmonton, and Miss Helga Abeln.

Klassen Company Now Hiring

Notice is given in this issue of The Advocate that Klassen Construction Ltd. is now accepting applications for employment in the construction of pre-built houses.

Experience in any of the house building trades will be helpful, but the company is also looking for the "handyman" type of worker who can be trained for certain jobs.

Applications should be made in person at No. 3 Hanger, Vulcan Airport.

Under Federal-Provincial Program

Vocational Training Wing To Be Added At Central High School

A co-operative program of educational development by the Federal Government, the Government of Alberta and the County of Vulcan has made possible the provision of vocational educational facilities in the County of Vulcan. Approval by these governments has been given for the building of a vocational wing to the County Central High School. Extensive facilities for business and commercial courses, new science laboratories, home economics and industrial arts classrooms and a combined library-lunch room will be provided. The entire costs of the new addition will be financed jointly under vocational grants from Ottawa and grants from the Alberta School Foundation Program. Equipment such as typewriters, machines, etc., for the vocational unit will be financed in total by direct federal grant.

The County of Vulcan No. 2 will be the first rural area in Alberta to have vocational facilities approved under the Federal vocational education program. The decision of the senior governments to support this venture rested upon the County program aimed at assisting every student to obtain a high school education fitted to his abilities and needs. Students attending the central high school this year are offered a total of 275 credits as compared with approximately 100 credits available in the smaller two or three teacher high schools. This program will be extended as more students vary their high school courses and remain in high school to the end of Grade

XII. The provision of better instructional facilities by the senior governments is a recognition of the importance of the program that the County is providing and is in keeping with the policy of the Alberta government to provide equal educational opportunity

throughout Alberta, in rural as well as in urban schools.

The vocational program is mainly in the commercial field and is designed to provide facilities and instruction to train commercial students to a high degree of efficiency and to fit them for employment on graduation. It is expected that this program will prove to be so popular that students from every part of the County as well as adjoining areas will avail themselves of this opportunity for specialized training.

Elsewhere in this issue is an advertisement to authorize the debenture to provide funds. Yearly payments will form a part of the ordinary grants to the County from the School Foundation Program. Thus, the new addition will not increase County school taxes.

Officials of the County are pleased that their efforts have met with success. It is expected that the contract may be let by early spring. An effort will be made to have part, at least, of the new building ready for classes next fall.

ARTHUR CUTFORTH

Retiring as a member of the Council of the County of Vulcan No. 2, Arthur Cutforth has represented Division Five, north-east of Vulcan, for the past seven years. Mr. Cutforth did not stand for election this year and Earl Erickson was elected by acclamation to fill his seat on the council.

Walter Dann Exalted Ruler Of Elks Lodge

Installation of the officers of Vulcan Lodge No. 121, BPO Elks, was held on December 10, with Walter Dann being installed as Exalted Ruler for 1964.

Other officers are Joe Gerding, Past Exalted Ruler; Dave Lehnack, Leading Knight; Earl Galloway, Loyal Knight; Mel Burgess, Lecturing Knight; Ernie Bowler, Esquire; Jim Clark, Chaplain; W. Stewart, Tyler; W. Hilt, secretary; W. Crossfield, treasurer; G. V. Atkinson, historian. Trustees are L. Haga, R. Middleton and H. Robertson.

The installation was conducted by DDGER E. McNaughton of Crossfield, assisted by members of the Vulcan Patrol Team with R. Gerding at the piano.

The Elks are joining the Legion, Kinsmen and Lions in again sponsoring the Kiddies' Day this year, on Saturday, Dec. 21. It is hoped to initiate several new ideas and projects in the lodge this coming year.

Announce Winners Of C.W.L. Draw

In the recent Canada-wide car raffie held by the Catholic Women's League, the grand prize winner of the car was Mrs. Frank Britt of 192 Bloomfield Ave., Outremont, Que.

Of the ten smaller prizes, three were won by the following Albertans: Maurice Wild, Berwyn; Gladys L. Kornicki, Mundare; Nelson E. Galipeau, Edmonton.

A lot of fellows who say what they think don't do enough thinking.

Better Not Shout, Better Not Pout . . . Santa's Coming

The word is out to all young people of Vulcan and surrounding district — Santa's on his way. He's coming to town this Saturday afternoon, at 2:15 p.m., and will head for the biggest Christmas tree in town. Of course that will be the downtown tree — and he wants to have a word with all the young fry.

There are hundreds of things to talk about; how the past year was spent, in or out of trouble, how many good turns were done to mother, dad and others and what a youngster who had been really good would want under the tree Christmas morning.

If the answers come out as they should Santa will do his best to see that the request is filled but to tide the young heart over, a bag of candy will be offered by Santa and his helpers.

Four organizations, Lions, Elks, Legion and Kinsmen have arranged for Santa to come to Vulcan during his busy schedule so don't be late. And there are two free shows for the kiddies too with one starting at 1:00 p.m. and the other at 3 o'clock, following Santa's visit.

Top Rural Membership

Antlers Measured Dec. 28; Glen Dahl F & G President

The date of Saturday, Dec. 28, was set by the December meeting of the Vulcan and District Fish & Game Association for the measuring of antlers for the trophy competition. This will be done at Central Garage and those wishing to have antlers measured must have the head tagged. The official Boone and Crockett scoring system will be used and anyone wishing to have a set of horns measured is welcome to submit them.

A resolution calling for assistance to wounded ducks and geese was passed. It reads: "Whereas so many water fowl, especially geese, are wounded and then find their way to large bodies of water and are left there to die of starvation, be it resolved that some method be devised whereby these birds could be salvaged either by a game officer or some authorized person. A patrol of these waters once or twice a week during the heavy migration period would be a great help."

President Glen Dahl reported the Vulcan association is now in first

place, attendance-wise, in rural areas, having a membership of 260, two more than Spirit River.

Delegates nominated to attend the Provincial Fish & Game Convention in February, 1964, were Bill Holton, Howie Marshman and Mr. and Mrs. Glen Dahl.

Steve Dixon of Brant, Regional Representative to Fish & Game, spoke on the law regarding hunting of fur bearing animals. He criticized the legislation of a year ago which critically restricted such shooting and noted that amendments had been made which enabled fur bearing animals generally to be hunted in regions other than the green areas.

He reported that sheep and elk population appears to be down and felt a change in regulations relative to this game is necessary.

Nomination of officers for next year was to be made but the meeting acted on a suggestion by past president Bill Holton that officers be elected for two years in future. President Glen Dahl accepted the further term and thanked the association for the confidence shown in him.

Kid's Night will be held once again in 1964 with the date yet to be set. Easter holidays was one day mentioned. Date for the Annual Banquet of the Association was also left to the executive to decide.

Wording of the Fish & Game plank on the future highway sign was discussed and it was mentioned the sample plank bearing Vulcan Fish & Game inscription, had been given to the group by Speedy Signs, of Black Diamond, holder of the contract for its construction.

Christmas Concert Held At St. Andrews

St. Andrew's Church Hall was crowded to capacity Sunday afternoon when parents, preschoolers, and friends gathered for the Christmas concert. Some 35 children of the parish took part in an excellent program of plays, recitations and singing of Christmas carols, climaxed by the Nativity scene, complete with beautifully costumed angels, wise men and shepherds. Santa Claus then appeared to distribute treats to the children. The draw for the Christmas hamper was made, Father Marien being the lucky winner. Lunch was served by the CWL ladies to bring to a close a very pleasant afternoon.

Mrs. J. Eberl, who directed the program, is to be commended for an admirable job, also Mrs. D. Chase, who made the costumes and who was assisted by Mrs. D. R. Brown in the "make-up" department.

The December meeting of the St. Andrews Council of the CWL took the form of a pot-luck supper and social evening with the members' husbands as honored guests. After partaking of a delicious supper, Mrs. J. Eberl and Clarence Roth led the gathering in a sing-song. Several group games were played, with Mrs. C. Roth directing, followed by a few hands of court whist, before adjourning. Prize winners at whist were Mrs. George Fath and Ernie Douville.

Teen & 20 Club Organized, Officers Named

The formation of a Teen and 20 Club for Vulcan was completed at a meeting Thursday, Dec. 11, with Dave Shust elected president; Errol Parslow, vice-president; Judy Makortoff, secretary and Sharon Ditto as treasurer.

This new teen-age club had its beginning through a number of informal get-togethers at the Legion Hall. Legion members offered the use of the hall and lunch room and were instrumental in assisting the young people in organizing the group.

Teen and 20 plans to become self-operating and set up a code of rules to be followed by members who will be sold yearly membership cards.

A meeting open to all in the age group is to be held Thursday, Dec. 19, at 8:00 p.m. in the Legion Hall and the first Friday night function will be held next night when a dance is scheduled. This is not a record hop but will feature a group of local boys known as the Teen and 20 Tenn-angels.

The Weather

Real winter weather has prevailed this week, with temperatures generally below zero and the ground well covered with snow. No break in the cold spell is in sight at time of writing.

What is a cynic? A man who knows the price of everything, and the value of nothing. —Oscar Wilde.

Men who give in if wrong are wise, men who give in if right — are married.

Rec. Campaign Gets Boost

Lagging returns from the \$55,000 canvass of the Vulcan District Recreation Centre were given a \$1,053.00 boost last week when proceeds from the 50th Anniversary Committee's operations were turned over.

About 27 members and interested persons attended a Sunday meeting of the Recreation Centre to discuss the future operation of the campaign.

Total returns in cash and pledges now amount to \$13,500.

The recent slow-down in the campaign was attributed by officials, to the Christmas season and the fact that with no general grain quotas opened yet surplus cash is not available as it might normally be.

Campaign headquarters at the Legion will be open Wednesday afternoons and Saturday afternoon and evenings for the next several weeks and will be staffed by voluntary help.

The cry is still out for the re-

turn of many pledges still in the hands of would-be donors. These pledges can be used to help finance equipment and in negotiations with outside companies.

The Recreation Centre group is incorporated under the Societies Act and money collected in this canvass is held in trust and an effort has been made to establish the whole operation on a completely business-like basis. Donation for the campaign are income tax deductible.

CCHS Drama Groups Plays Are Well Received

The auditorium of the County Central High School was well filled on the evening of Thursday, Dec. 12, with interested parents and friends showing genuine pleasure and appreciation at the performance of students in the Glee Club and Drama 10 and 20 classes.

The Drama 10 group chose a comedy, "The Secret Weapon", in which a young housewife, Penny Bloxham, found herself becoming too involved in family and community matters. Aunt Martha, Lynn Bateman, set her straight by introducing her to the mysteries of "The Secret Weapon". The use of the weapon provided may comic situations. Other members of the cast gave good support to the play.

The Drama 20 group gave a creditable performance of Act 4 — Merchant of Venice. The scene which Shylock, Bill Tompkins, demanding his pound of flesh was well played. Costumes, appropriate for the times, were worn and indicated much time and effort had gone into their making.

In between the two plays the Glee Club presented a minstrel show. The idea was novel and the blackface makeup so effective that many were the guesses as to the identity of these young singers. Typical jokes and fine singing made the performance most enjoyable.

Favorable response and comments regarding the evening left no doubt that the audience fully enjoyed the young people's efforts. Members of the casts were as follows:

The Secret Weapon — Jean O'Brian, Penny Bloxham; Elaine O'Brian, Rhonda Murdoch; Pat O'Brian, Marylin Mackay; Tim O'Brian, Walter Samaroden; Paperman, Mary Plourd; Fireman, Gavin Markert; Dr. Summers, Chuck Brinton; Aunt Martha, Lynn Bateman; Mrs. Crumble, Linda Bateman. Director, Mrs. Graham.

"Act IV — Merchant of Venice" — The Duke, Les Caldwell; Clerk, Eda Lever; Sergeant at Arms, Jo Anne Richardson; Reader, Maxine Atkins; Antonio, Eric Hagedorn; Bassanio, Bud Bodell; Gratiano, Ted Shaw; Shylock, Bill Tompkins; Portia, Delores Doane; Nerissa, Lorna Hurl; Populace, Judy Jones; Maureen Setters, Julie Williams and Susan Hayes. Director, H. H. Mumby.

Glee Club, Minstrel Show between the two plays. Directors, Mrs. Johnson and Don Jantzie.

George McMorris Again Heads Angus Association

George McMorris of Queenstown was re-elected president of the Alberta Aberdeen Angus Association at the annual meeting of the association held recently in Red Deer. John Bartsch of Milo was elected as a director. About 60 Angus breeders from all parts of the province attended the convention.

Mr. McMorris told the meeting the past year had been "very prosperous and encouraging" for the Aberdeen Angus breed.

He said more than 10,000 head were sold at 10 commercial sales sponsored by the association. The quality of the cattle was good and prices were satisfactory.

In 4-H endeavors, 16 per cent of all calves fed by members of Alberta 4-H beef clubs in 1963 were Aberdeen Angus and 26 per cent of the championships were won by Angus calves.

A lot of fellows who say what they think don't do enough thinking.

Through the kindness of Ron Buehler of Vulcan Electric, Vulcan Boy Scouts tree headquarters this year are in his used appliance building on main street and two Scouts, Larry Mumby, left and Alex Price, are shown above with

a couple of sample trees. Larry is 14 years of age, became Queen Scout recently and serves as troop leader. Alex is also 14, has two years of Scouting and is a second. Kieth Fisher of the Scout committee is tree chairman.

TELEVISION FARMING

A new trend may be in the offing for farmers to get up-to-date information. A Television Short Course of Farming and Home Management will be seen by viewers across Western Canada during the week of January 6th to January 19.

The Television program is entitled "This Business of Farming" and will be carried over the CBC-TV Network from 10:30 a.m. to 11:30 a.m.

The program deals with soil management in the various soil zones. Discussion will center on desirable land use, production needs and tillage management.

In discussing forage crops, an attempt will be made to determine how forage crops pay when used as pasture, or used as hay, or used in soil improvement.

Speakers will come from the three prairie provinces and will include University and Department of Agriculture Agrolgists as well as the man on the land. Sid Lore, well known to many cattlemen, will be on the Wednesday program, dealing with "Producing a Calf". Management practices for small operators will make this program most interesting.

For those feedlot operators who want to keep abreast of the times, the Thursday program should be their time to keep the living room chair warm in front of the TV. The program will go into all aspects of feeding, and will raise such issues as whether to raise or buy your cattle.

When farm management is mentioned on the Friday's program, many from the County of Vulcan will be familiar with the subject from their own experience through our own farm management meetings. This program will be at the farm level because farmers will make up part of the group conducting the program dealing with farm management.

Each day following the CBC program, a local group of agrolgists, farmers and ranchers will be seen over CJLH-TV, Lethbridge. The program will be a continuation of the CBC program giving local flavor and interpretation to the topics discussed. I would suggest that this may be an interesting session too, as some familiar faces will be seen on this program.

"This Business of Farming", TV short course is a co-operative venture of the Alberta, Saskatchewan and Manitoba Departments of Agriculture and the Canadian Broadcasting Corporation.

Groups are invited to watch this TV series and make suggestions to

Vocational Training— A Big Step Forward

The announcement this week that approval has been given by the provincial and federal governments for the building of a vocational wing at the County Central High School in Vulcan marks a major step forward in the effort to provide students of the County with the best possible educational opportunities. Notable is the fact that this is the first rural area in Alberta to come under the federal vocational education program. The entire cost of the new wing will be met by federal and provincial grants and the necessary vocational equipment for the new classrooms will be provided by direct federal grant.

Recognition of the fact that the greatest number of unemployed in Canada are persons without any particular training or skill was the prime factor in the institution of the Canada-wide federal vocational training program, designed to increase vocational training opportunities for high school students whose aptitudes will likely take them into the business or commercial field rather than the academic field of higher education. The new vocational-type high schools in the major cities are an outcome of this program, as is the training in new skills of those persons who are chronically unemployed.

The central high school at Vulcan already offers students of the County an excellent academic program of 275 credits. Vocational training, though, has been limited to home economics and industrial arts. Under the educational development program possible when the new vocations wing is in operation, students interested in a business-commercial career will be able to take this type of training during their high school years and be ready for employment upon graduation.

The months of planning, the meetings with government officials, the time and effort expended have now culminated in an educational "first" for the County of Vulcan, providing greater educational opportunities for County students at no additional cost to the ratepayers. The County School Committee and the County Council as a whole are to be commended for the big step forward now being taken by education in this rural area.

The new vocations wing will be of two-storey construction and will contain six standard classrooms, five business rooms, two science laboratories, two home economics units, an industrial arts shop and a dual purpose library-lunchroom.

District News**ARROWWOOD**

The United Church Women met at the home of Mrs. Stewart Hayes this past week. Reports were given on the Turkey Supper. Election of officers took place for the coming year. Elected were: President, Freda Setters; vice-president, Jean Zahursky; secretary, Joyce House, and treasurer, Gladys Curtis. Candy bags were filled for the Sunday School party. A delicious lunch was served by the hostess Mrs. Hayes and Mrs. Cochrane.

The churches in Arrowwood had their Christmas parties on Friday night for the Sunday Schools. The Gospel Church had a supper and entertainment following. The Brethren and United Church had a social evening.

Mrs. George Roberts and girls were visiting in town over the weekend.

The Lions Club will be having their Free Show and prizes for the children of the district this Saturday. Everyone welcome.

Several people in the district attended the Moscow Circus in Calgary the past week. All report that it was very good.

The children of the community are all busy learning parts for the Christmas concert on Friday and they are also looking forward to the long holiday this year. We imagine the teachers are not sorry to see the holiday either.

ENSIGN

Jim Massam of Ensign and brother Bob of Vulcan left last Friday for Consort, having received word that their father had been hospitalized.

Mrs. Don McFadden and children left on Wednesday of last week to join her husband at Kitimat, B.C.

Mr. and Mrs. Harold Hansen, Marilyn, Donald and Darlene, attended the wedding of their eldest son, David, who was united in marriage to Patricia Jacobson of Victoria. They also visited with Mr. and Mrs. Eric Hatfield at Victoria and on their way home they stopped at Chilliwack to visit with Mr. and Mrs. Walter Engle.

They travelled via Rogers Pass to the coast and found the roads in very good condition and enjoyed their holiday very much.

Mr. and Mrs. Art Finlayson returned to their home last Saturday after holidaying for the past several weeks.

LADIES' AID MEETING

The Ensign Ladies' Aid monthly meeting was opened by singing the hymn, "Silent Night," followed by "The Lord's Prayer." The Christmas story was read from St. Luke. Roll call was answered by seven members and two visitors with articles for Wood's Christian Home. Financial statement was given and approved.

It was decided that future meeting would start 2:30 p.m. sharp. The sum of \$10 will be donated to the needy families of Vulcan. Information in obtaining the home economist for the February meeting is being sought.

The next meeting is to be held at the home of Mrs. Vi Hagen, with Mrs. A. McIntyre as helper. Roll call is for used Christmas cards. A delicious lunch was served by Mrs. H. Bride and Mrs. D. Hall.

VULCAN WEST

Mr. and Mrs. Bob Hutton were Calgary visitors on Saturday.

Alan Fisher who was employed in London, Ont. for the past few months, has now returned home.

Mr. and Mrs. Bride and Mr. and Mrs. Dick Hall and family were Calgary visitors on Saturday. While there they attended the Moscow Circus at the Stampede corral.

Mr. and Mrs. C. Matlock were High River visitors on Sunday and while there visited with Mrs. Buehler Stout who is a patient in the hospital.

Mr. and Mrs. George Dingwall were Calgary visitors on Wednesday. They also visited with Mrs. Robina Hutton at the Holy Cross Hospital.

Mr. and Mrs. George Sandberg, George, Jr., and Ronald were Calgary visitors Saturday and Sunday.

BAND NEWS

(By Lloyd Jones)

All band members will note that there will be no rehearsal on either Monday, Dec. 23, or Monday, Dec. 30. The next rehearsal will be on January 6. This allows for a good long holiday, but each player is reminded that it is important to do more practicing every day in order to keep in good playing condition.

The senior band had a very enjoyable evening last Monday while playing carols at the Vulcan and Carmangay Hospitals. We thank Miss Sissons and Mrs. Minty for their kindness in allowing the band to bring this bit of good cheer to the patients in the hospitals. Bob Gerding added to the fun, especially for the kiddies, by arriving in full Santa Claus dress. We believe this is the first time boys and girls saw Santa playing a trombone.

Band master Dee announced to the junior band plans for a band workshop to take place in Calgary in late March. This will be a wonderful occasion for all junior players. We will announce more details in the near future.

We again encourage any ladies in the community who would like to play, to let the band know. To make this a truly County band, we need you ladies too; so don't be shy — if you start, others will follow.

Meet Friday To Organize Junior Hockey

The winter which struck two weeks ago has brought with it ice at the skating rink and given enough optimism in its permanency to send junior hockey supporters scurrying for an annual general meeting to elect officers and formulate plans for the new season.

This meeting is called for Friday, Dec. 20, at the Legion where officers, managers and coaches will be appointed. Harold Fox was president of last year's Vulcan District Junior Hockey Association and on the executive were Gordon Brown, John Wolfe, Wally Franks, E. Lebsack and Don Green. Board members were Harry Stoddard, Ernie Collette, Ross White, Harris Matlock and C. Crossy.

The Vulcan Lions Club, Vulcan IGA Store and Simpson-Sears Order Office are among those who have helped supply three sets of equipment in past years.

This hockey movement locally attracts about 100 boys ranging in age from peewee to junior status and an attempt was made last season to run a schedule with teams from other points in the County.

Regular Meeting Reid Hill W.I.

The Christmas theme was used by Mrs. Jack Marshall to decorate her home Thursday, Dec. 12, when she entertained the members of Reid Hill W.I.

The retiring president, Mrs. C. Love presided and was assisted by Mrs. Marshall as secretary. The treasurer's report and annual report were given by Mrs. C. L. Kuykendall. The punctuality draw was won by Mrs. F. McRoberts.

Correspondence dealt largely with routine matters and greetings. The sum of \$10 was voted to a town welfare organization which is collecting funds to provide a few treats at the Yuletide to those in need.

It was decided that the branch would cater to the Vulcan and District Board of Trade annual meeting in February. A committee was named to make the arrangements.

Roll call was answered by 11 members and two visitors with "My Earliest Christmas Recollection", which proved quite interesting. The roll call for the January meeting at the home of Mrs. Fred Schuler will be "What Does Money Mean to Me".

The secretary's annual report was given by Mrs. Marshall, and showed the highlight of the year had been the celebration of the branch's Golden anniversary.

At the conclusion of the business session draws were made and Christmas remembrances exchanged. A dainty lunch was served by a committee.

Annual Greeting Edition Dec. 24

The annual Christmas and New Year's greeting edition of the Advocate will be published next week and will be in the post office a day early — on Tuesday, Dec. 24.

Advertisers in Vulcan will be contacted this weekend and those from out of town are reminded to send in their greeting ad order form not later than Saturday, Dec. 21. Considerable extra work is entailed in publishing this annual greetings edition and it will be appreciated if district news correspondents make every effort to get their news copy in as early as possible.

Next week's edition of The Advocate will be the last in the year 1963.

There will be no paper the following week (New Year's day) and the first edition in 1964 will be published on Wednesday, Jan. 8.

4-H**Club Notes**

Mossleigh 4-H Calf Club—

The Mossleigh 4-H Beef Club held their second meeting on Dec. 5. There was an attendance of nine members.

Due to the absence of the president and vice-president, Kenny Weber was asked to conduct the meeting. Lois Washburn was elected to fill the position of treasurer. Roll call was answered with, "Weight of my calf." After a discussion on money raising devices the meeting was adjourned.

Lunch was provided by Gordon Bertschy and Max Christie.

The meeting of the Hospital Auxiliary was held in the town office on Dec. 12.

Mrs. Rhoda Minty reported that the two armchairs for the elderly patients and a mural for the nurses sitting room were bought with the tea money and money donated by different organizations. It was suggested that the auxiliary buy suitable head-rests for these chairs if these cannot be made.

Some sewing was distributed by the matron to the members present. Favors were made for hospital trays for the patients and staff who will be present in the hospital at Christmas.

The next meeting of the Hospital Auxiliary will be in the form of a sewing bee to take place in the afternoon of Feb. 13, at the home of Mrs. J. W. Nielsen. The raffle was won by Jo Letal.

Thousands of people attending the Royal Winter Fair at Toronto had ample opportunity to learn of the agricultural manufacturing industry in Alberta and of travel opportunities in the province, as result of the Alberta Government

booth. The booth, designed and placed by the Alberta Government Publicity Bureau, featured many samples of processed agricultural products provided by interested Alberta industries. Each sample was accompanied by a short des-

cription of the place of that industry in the Alberta economy from the standpoint of dollar contribution and people effected. The booth drew much public interest and comment.

'64 Jet-smooth Luxury CHEVROLET

Chevrolet Impala Sport Sedan

A GENERAL MOTORS VALUE

Any car this luxurious ought to have its price examined!

Here are looks, luxury and comfort you'd expect to set you back plenty — if they came from anybody but Chevrolet.

Fresh-minted styling with clean uncluttered lines that give the '64 Jet-smooth Chevrolet its feeling of new length and lowness.

Rich new interiors with supple fabrics (sink your hand into the new vinyl upholstery of the new Impala Super Sport Series, for instance, and ask yourself if you've ever felt softer seat covering).

Here are the niceties of Body-by-Fisher craftsmanship such as you'll find on expensive cars. And stylish touches like the vinyl-clad roof* you can order on the Sport Coupes.

Door-to-door carpeting and foam-cushioned front and rear seats are standard now in all models, including the modestly priced Biscaynes.

And there's a wealth of power to pick from. Engines from a peppery 140-hp 6 to a 425-hp V8*. Transmissions that are refined for smoother, more silent operation. Fourteen power teams in all.

Then, with all of that going for you, you've got the '64 Jet-smooth ride at work to cushion you from road noise and vibration such as few other cars can at any price.

Been promising yourself luxury like this someday? Your someday is here, as your dealer will gladly show you.

*Optional at extra cost
